Welcome

Dear PBC Student:

Welcome to Pacific Bible College ("PBC"). You and your discipleship in Christ are why we exist. Our small college strategically leverages its resources to minimize the financial cost of post-secondary education while maximizing your academic, spiritual, and for many, professional training. We believe in developing a synergistic relationship with each student whereby God uses us to transform you for his purposes and you also help Him transform PBC towards a more effective academic institution.

Our mission is to provide a biblically focused education that equips students in character, leadership, and service to impact the church, community and world for Jesus Christ. This is capsulized in our motto Kingdom Think whereby we train students to effectively apply critical thinking sourced from a biblical world view in all areas of one’s life. From our mission flows our key values to equip our students to become:

1) Biblically competent
2) Academically proficient
3) Spiritually cultivated
4) Culturally-engaged servant leaders

These values form the foundation of our ethos and into this community you have been called and placed. We are excited for you and expectant on how God will use you to influence us. Welcome and may God richly transform and mature you through your participation in our mission.

Your Servant,

Mike Robinson
President

Mission Statement & Doctrine

Pacific Bible College was founded in 1991 with the goal of providing classes and study in order to enrich students understanding of the Bible. The College is not directly affiliated with any church or denomination. It is located in Medford, Oregon, with classroom facilities in the building. Pacific Bible College is funded through student tuition and through the giving of God’s people. Presently, we are in the process of seeking accreditation through the Association of Biblical Higher Education (ABHE). Pacific Bible College is the only Christ-centered institution of higher learning between Eugene, Oregon and Redding, California, serving Southern Oregon and Northern California.

Mission Statement
Pacific Bible College is a Christ-centered learning community committed to equipping students to become biblically competent, academically proficient, spiritually cultivated, and culturally-engaged servant leaders.

Motto
Training students to “Kingdom Think”

Vision
PBC trains and launches students for humble, loving, and transformational kingdom living in the 21st century American culture.

- We identify this generation as being uniquely challenged to understand the Gospel of Jesus Christ in its cosmological framework.
- The 21st century American church is transitioning into an exiled church. Existing on the fringes of society as ambassadors of reconciliation requires a unique set of skills embodied in what we call Kingdom Think. The times are unprecedented for knowing and operating, hearts and minds, in the Kingdom of God and God’s redemptive purposes.
- We provide collegiate level worldview training. We theologically train towards a fully-orbed and biblically integrated science of God grounded in applying this knowledge in one’s daily life through rigorous critical thinking.
- We enculturate leaders to practice love, servanthood, critical thinking and to contextualize each decision against the fundamental kingdom reality. Actualizing the ethics and community of the kingdom in our daily lives.

Values
The community of PBC strives to exercise the following core values at every level/opportunity:

- Submissive attitude toward Biblical authority
- Pursuit of excellence in all endeavors

- Godly integrity in all decisions
- Community orientation in all relationships
- Passion for Christ’s kingdom work
- Authentically exercising His love

  - Conversant with major religions and prevailing cultural perspectives
  - Able to articulate the importance of mission both at home and abroad
Able to articulate how Christian faith impacts vocation, family, community

Equipped to engage in church and community service

**Philosophy of Student Development**

PBC seeks to participate in the education of mindful Christians who proactively “Kingdom Think” about all experiences, relationships, and challenges of life, thus learning to love and think as Jesus instructs, and exercise His kingdom realities in all walks of life. In order for this proactive mandate to be accomplished we believe students at PBC should grow into being:

**Biblically grounded by:**

- Academic study of the Word of God to expand the student’s knowledge of who God is as revealed in Scripture and center student’s worldview on this essential reality
- Development of a life-long spiritual discipline of academic biblical study.

**Theologically oriented by:**

- Integrating one’s knowledge of the Lord into an ever-expanding portrait of the personal and transcendent
- God of the Bible who is redeeming all of creation through Christ and His people
- Developing what we call “Kingdom Think,” which influences all areas of the student’s life.

**Experientially focused by:**

- Becoming actively involved in local outreach ministries that allow application of the class theory
- Understand that everything they do in life is kingdom activity

**Continually developing love by:**

- Enriching their personal relationship with Jesus Christ
- Exhibiting and cultivating a teachable spirit
- Engaging mentoring by faculty, peers, and the PBC community
- Following the leading of Spirit in its exercising
- Community empowered through theological understanding and practical outworking of the gospel, the church, and the plans of God.
Doctrinal Statement of Faith

Article 1. Scripture
We believe in the plenary, verbal inspiration of Scripture. By this we mean that the Holy Spirit inspired the thoughts and wording of the text while using the vocabulary and syntax available to the human author. The result is authoritative as to instruction, infallible as to truth, and inerrant as to facts which it teaches (1 Cor. 2:13; 2 Tim. 3:16-17; 2 Pet. 1:20-21).

Article 2. Godhead
We believe in one triune God, three in person and one in essence - Father, Son, and Holy Spirit. All members of the Godhead are equal in power, glory, attributes and perfections. (Matt. 28:19; 1 Pet. 1:2; Col. 2:8-9; 2 Cor. 3:17)

Article 3. Person and Work of Jesus Christ
We believe that the second Person of the Godhead took on human flesh permanently without in any way ceasing to be the eternal God. He was conceived of the Holy Spirit, born of the Virgin Mary and grew in normal human life, experiencing human death on the cross. He arose bodily on the third day and was seen by hundreds of people over the following 40 days, after which he ascended bodily into heaven where He is exalted at the right hand of the Father and where He exercises the ministry of High Priest, Intercessor, and Advocate (John 1:1-14; Col. 2:8-9; Heb. 9:24; 7:25; 1 Jn. 2:1-2). We believe that Jesus Christ's death on the cross was a substitutionary atonement for our sins and that his resurrection from the dead assures his people of eternal, resurrection life (Luke 1:35; Rom. 3:24-25; 8:34; 1 Pet. 1:3-5). We believe that Jesus Christ will return physically to this earth at the close of this age to judge the earth and establish His Kingdom (Acts 1:9-11; 1 Thess. 4:13-18).

Article 4. Mankind
We believe that humanity was created in the image and likeness of God, but that through Adam's sin became alienated from God. This alienation involved a change in man's nature and destiny, producing both physical and spiritual death as a consequence of God's judgment. Man is desperately in need of rescue from this condition of alienation and judgment (Gen. 1:25-27; Rom. 3:22-23; 5:12-21; Eph. 2:1-3, 12).

Article 5. Holy Spirit
We believe that the Holy Spirit is the third Person of the Godhead. In the present age He indwells and anoints Christian believers, baptizing them into the Body of Christ and sealing them for the day of redemption. Every believer in Christ is commanded to be filled with the Spirit and to walk in the Spirit (Rom. 8:9-11; 1 Cor. 12:12-14; Gal. 5:16-25; Eph. 1:13-14; 5:18-20).

Article 6. Salvation
We believe that eternal salvation is a free gift bestowed by God in grace and received by man through vibrant faith in Christ Jesus. This true faith issues in works congruent with eternal life and the character of God. (Eph. 2:8-10; Titus 2:11-14)

Article 7. The Church
We believe that the Church is a spiritual organism composed of all born-again believers in Jesus Christ irrespective of their social, denominational or cultural affiliations (Eph. 1:22-23; 5:25-27; 1 Cor. 12:12-14).

Article 8. The Eternal State
We believe in an eternal and irrevocable judgment of the lost and blessedness of the saved. These states are both conscious and everlasting (Mark 9:43-48; Rev. 20:15; 22:3-5, 11).

Conclusions: We believe that as Christians it is our duty to think, speak and live in such a way as to fulfill the Great Commission (Matt. 28:18-20) and the Great Commandment (Jn. 13:34-35). We realize that upon some points of doctrine not listed herein, there exists intramural debate among genuine Christians. We further realize that we serve a diverse body of believers with varying emphases and styles. Our desire is to promote Christian learning and ministry in an atmosphere of unity, mutual love, and loyalty to Christ. We seek to be gracious and tolerant where there is disagreement between theological perspectives.

Audit Admission

Auditors are admitted to PBC as non-degree seeking, non-credit-earning self-enrichment students. Therefore, applicants who wish to audit classes do not need to apply for full admission, but should complete the online application for Audit/Self-Enrichment. No other documentation is required. When the online application is submitted, an admissions representative will contact the applicant with instructions about how to register for classes as an auditor.

Tuition and Fees

1. A non-refundable admission fee is required upon notification of acceptance to PBC. This is $50 for credit students and $30 for audit/self-enrichment students.
2. Pacific Bible College charges $150.00 per credit hour for credit students and $30 for audit/self-enrichment students.
3. Total tuition costs per program:

Veterans must adhere to the college's granting of prior credit, and shortening of the length of their education or training for evaluation, from any previous education or training. Veterans receiving GI Bill benefits while attending Pacific Bible College are required to submit transcripts from any previous education or training for evaluation, granting of prior credit, and shortening of the length of the program. Veterans must adhere to the college’s maximum amount of credits that can be transferred: 50%.

### General Refund Policy

1. Refunds for tuition only will be pro-rated according to the day the student withdraws from class versus the total semester days.
2. All fees are non-refundable.
3. Refunds will be paid within 30 days of written notice of class withdrawal. It is the student’s responsibility to submit the written notice to the PBC office. Students who withdraw from a class without proper written notice are not eligible for refunds.

### VA Students

The Associate of Applied Science in Christian Counseling, Associate of Biblical Studies, and Certificate in Christian Ministries offered by PBC are approved by the Oregon State Approving Agency for the education and training of veterans and other eligible persons. Veterans or dependents of veterans who plan to attend PBC must be formally admitted into either the Associate of Applied Science in Christian Counseling or Certificate in Christian Ministry program. A student who wishes to receive VA benefits should contact the PBC administrative office. All registration expenses are the responsibility of the student and students should be prepared to follow standard PBC procedures regarding payment of their account while they wait for VA funding.

NOTE: Because of PBC’s current accreditation status, the following types of courses will not be covered under VA benefits: distance learning, independent studies, and practicum or field ministry courses.

### Assessment of Prior Credit

Students desiring to get transfer credit towards their PBC degree program requirements must submit appropriate documentation for such credit as part of the admission process. Previous academic credit is evaluated on a course-by-course basis. Acceptable transfer work will be recorded on the PBC transcript. If courses are not applicable to the student’s degree program at PBC, they will be considered as electives in excess of minimum degree requirements. The level of credit (100 or 200 level) is determined by evaluation of the courses at PBC. The student must arrange to have official transcripts sent to our registrar. Transcripts that have been in the possession of a student are not considered official.

Transfer credit may be granted under the following conditions:

1. Appropriate coursework completed with a grade of C or above will be accepted.
2. PBC accepts college-level academic course work from regionally accredited two- or four-year colleges and universities. In addition, credits earned at institutions listed as degree-granting institutions in the Accredited Institutions of Postsecondary Education (AIPE) as published by the Council for Higher Education Accreditation (CHEA) will be considered for transfer credit. Academic credit is accepted without regard to the date that the course was completed.
3. Academic coursework from colleges outside the United States or those that do not meet any of the definitions above are evaluated on a case-by-case basis.
4. Transfer credit cannot exceed 50% of the designated PBC degree.
5. Awarding of credits is based on

### Veteran's Refund

The Pacific Bible College Veterans Refund Policy complies with CFR 21.4255. In the event the Veteran or eligible person fails to enter the course, withdraws, or is dismissed at any time during determination of any unused portion of tuition, fees, and other charges is refunded. Any amount in excess of $10 of the formal admission application fee is subject to prorating. The amount charged will not exceed the exact pro-rated portion of total charges. The length of the completed portion of the course will be prorated over its total length, and the exact proration will be determined by the ratio of the number of days of instruction completed by the student, to the total number of instructional days in the course. Refunds are made within 40 days of the last date of the student’s attendance.

### Transfer Students

Pacific Bible College works one-on-one with each applicant to evaluate their prior credit, looking for potential transfer opportunities. Transfer credit evaluation begins once your admissions application is complete.
semester/quarter equivalency calculation.

6. PBC has sole discretion in determining which and how many transfer credit hours will be accepted toward degree requirements.

The transfer student’s records (transcripts, etc.) will be evaluated according to the rules and regulations as described in the catalog and in accordance with PBC policies in effect at the time of the student’s admission to a degree program. After evaluation, the student will be notified that an official evaluation has been completed and will be provided the details of all applicable transfer credit that has been accepted by the college.

Non-standard Options for Earning College Credit
The Office of Oregon Degree Authorization classifies the following four options for earning college credit as “Non-Instructional methods”:

1) Advance Placement (AP) and International Baccalaureate (IB)
PBC awards academic credit for AP/IB based on the credit recommendations from Oregon’s AP/IB Workgroup convened by Oregon’s Higher Education Coordinating Commission. PBC’s academic credit awards for AP/IB are on page 21-22. Students can earn credits up to 50% of a program through AP/IB credit.

2) Challenge Examination
PBC can award credit by challenge examination. Students earn credit by successfully passing a final course examination covering all course content, in lieu of requiring class attendance. No more than 25 percent of a program may be earned through challenge examinations.

To request a challenge exam, students must provide evidence of their prior learning experience that they believe warrants consideration for challenging a particular course or courses. This information will be reviewed by the Department Chair of the requisite program. The Department Chair will make a determination whether the student should be interviewed. The student will then be interviewed and will be required to respond to oral questions over the course that they desire to challenge. Once complete, the Department Chair will make a determination of approval/non-approval within 7 working days of the interview. Students who are approved for a challenge exam will then work out a date with the designated faculty representative for the time and place for the exam. After the successful completion of the test, the appropriate credits will be posted to their academic transcript.

The challenge exam fee is $150.00 and is non-refundable.

3) Non-Collegiate Learning (NCL)
Students can earn credit towards a degree based on previous documented learning in a non-collegiate learning environment. No more than 25 percent of a program may be earned through NCL.

Students wishing to get credit for their prior learning should notify an academic advisor. Students will need to accomplish the following to request and be evaluated for NCL:

1) Provide documented proof of the experience for which they are requesting credit.
2) Write a paper in accordance with the standards specified by the designated Department Chair that explains how their experience meets the outcomes for the designated course. Then they will participate in a follow-up review panel/interview overseen by the Department Chair or other faculty members as an oral defense of their written assignment. At the completion of their oral defense, the student will be notified within 7 working days of the status of their credit award or non-award. Students will still be obligated pay 50% of full-tuition for each credit awarded.

4) Veterans and American Council on Education (ACE) Credit
PBC will generally follow the recommendations of the American Council on Education (ACE) for courses listed in the National Guide to Educational Credit for Training Programs and the Guide to the Evaluation of Educational Experiences in the Armed Forces. Students must provide appropriate documentation to verify they have completed the work or training experience that is designated by ACE for college credit. No more than 25 percent of a program may be earned through ACE credit.

National Career Readiness Certificate (NCRC) Credit
PBC awards 3 elective credits for students who have completed the NCRC and achieved Silver Level or higher based on the ACE recommendation for college credit.

College Level Examination Preparation (CLEP)
PBC will accept the minimum scores recommended by the American Council on Education (ACE) on all exams offered by College Level Examination Preparation (CLEP) for the award of academic credit. PBC’s academic credit awards for CLEP are on page 20. Students can earn credits up to 50% of a program through CLEP.

**SCH - Semester Course Hour**
STUDENT SERVICES - ENROLLMENT

New Enrollees
Upon receiving an offer of admission, applicants will be prompted to contact the PBC office and schedule an appointment with an academic advisor or dean. At this appointment, the applicant will complete and sign a Matriculation Agreement and receive the Financial Disclosure Statement. The advisor will then activate the new student’s Populi account and register the student for the semester. Subsequent registration for classes in following semesters will be performed online by students themselves, not by the advisor/registrar.

Full and Part-time Student
A full-time course load is defined as registration for 12 or more credit hours in a single semester. Anything less is considered part-time.

Enrollment in a Degree Program
PBC offers the following degrees and certificates:

- Associate of Applied Science in Christian Counseling (AASCC)
- Associate of Biblical Studies (ABS)
- Associate of Liberal Arts (ALA)
- Certificate of Christian Ministries (CCM)

In order to graduate from PBC, a student must enroll in one of the above academic programs. There are two ways for a student to declare their intended program: 1) By indicating an intended program on the Matriculation Agreement signed upon admission to PBC, or 2) By providing written notice to Student Services of intent to complete a specific program.

The student’s degree requirements will be determined by the designated catalog year. The designated catalog year corresponds to the academic year wherein the student declared their program. If a student returns after a period of being unenrolled or absent which exceeds two semesters, or if the student is readmitted to the college after academic suspension, the previous catalog year will be replaced by the current one.

Students may request to change their declared program by providing written notice to Student Services. An academic advisor’s signature will be required in the event a student is changing programs.

Degree Progress
A full-time student taking 12 credits per semester can expect to complete an AASCC, ABS, or ALA over the course of at least six consecutive semesters, or the CCM over three consecutive semesters. Part-time students are encouraged to enroll consistently in subsequent semesters so as to display continual progress toward completing their program.

Dean’s List
Each semester, students who maintain a satisfactory GPA and demonstrate consistent progress toward completion of a terminal degree program will be eligible for honorary placement on the Dean’s List. Minimum criteria are as follows:

- The student must maintain a cumulative GPA of 3.30 or higher.
- The student must be enrolled full time or complete a total of 12 credit hours in residency through consecutive fall-spring/spring-fall terms.
- The student must also be in compliance with PBC’s student conduct policy.

Graduation Requirements
Students must petition the (Dean of Student Affairs) in the fall semester of the school year they anticipate to graduate. Student Services will then confer with Faculty Department Head/Program Director to confirm eligibility for graduation.

The following criteria will determine eligibility for graduation:

- Program course requirements for the designated catalog year have been satisfied.
- 50% of program requirements have been completed in residency.
- Cumulative GPA of 2.0 or greater.

STUDENT SERVICES - REGISTRATION

Registration Procedures
Registration dates are included in the academic calendar published in this catalog and online. Active students will be notified regarding open registration via email. First-time students will register for classes during an appointment with an academic advisor. Current students will be responsible for registering online through their student account in Populi.

All students who have completed the full admission process and are in good academic and financial standing with PBC are eligible to register for classes. A student who is accepted provisionally may be subject to limitations for first-time registration. Any student who maintains an outstanding tuition balance from a previous semester will be ineligible to register until their account is rectified.

Students should be aware that some classes have prerequisites that must be met before registration. More information can be found about specific classes and their prerequisites under the program descriptions beginning on page 38 of this catalog.

Students may attend and receive credit only for classes for which they have registered. The official class roster
in Populi is the only basis an instructor has for counting a student as present in his class.

Auditing
Auditors are not awarded credit and courses audited do not count toward a cumulative GPA on PBC transcripts. The registration process for auditors is the same as for credit students; however, no advising appointment is required for first-time registration. Once notified of acceptance, an auditor will receive instructions on how to register for classes online through Populi.

Class and Employment Load
Every student faces a challenge to balance the time demands created by classes, employment, ministry, family and relationships. Student Services welcomes opportunities to discuss these demands and help students develop a workable schedule.

Because of the importance of having a balanced lifestyle, class load is limited to 18 hours. Students who want to take more than 18 hours must meet with the Chief Academic Officer for approval.

Course Cancellation Policy
The college makes an effort to offer any course required for a program, but may cancel a class if the minimum enrollment of four has not been met.

Registration Changes
The student makes the following changes online via their student account:

- Updating of contact information
- Adding or dropping a class up to the first week of class

The student must submit a Student Status Change form for the following:

- Changing from audit to credit or vice-versa
- Withdrawal from a class

Withdrawal from Classes
A withdrawal from a course during weeks two through ten of the semester will be noted with a “W” (withdrawal) on the transcript. No withdrawals are accepted as of Monday of the eleventh week of the semester.

If a student does not withdraw from a course by the end of the tenth week of the semester, but stops attending the course, the student will receive the grade earned.

A student may request to switch to audit status in a course by submitting the 'Class Changes Status' form.

Requests for all adjustments to a student's status in a course must be submitted to the Dean of Student Affairs by the end of the tenth week of the semester.

All approved adjustments to a student's status in a course will be completed in their Populi record by the Dean of Student Affairs and forwarded to PBC’s bookkeeper.

Students who desire to complete the course during a future semester will be required to register and pay the current tuition for the course.

Withdrawal from School
Students who desire to completely withdraw from Pacific Bible College should contact the Dean of Student Affairs. (Students who depart the school for longer than one year will be required to follow the current catalog at the time of their readmission.)

STUDENT SERVICES - TRANSCRIPT REQUESTS

Transcript Services
Students may request an official transcript to be sent to any school or business by submitting a transcript request form and paying a fee of $5.00 per transcript. Contact Student Services for a request form.

Unofficial transcripts may be exported by individual students through their student account in Populi. PBC will not release unofficial transcripts to any third party. Contact Student Services for technical assistance in downloading unofficial transcripts.

STUDENT SERVICES – STUDENT RECORDS

Family Educational Rights and Privacy Act (FERPA)
PBC follows the Family Education Rights and Privacy Act (FERPA) of 1974 in regard to educational records. FERPA is a Federal law that is administered by the Family Policy Compliance Office (Office) in the U.S. Department of Education (Department). 20 U.S.C. § 1232g; 34 CFR Part 99. FERPA applies to all educational agencies and institutions (e.g., schools) that receive funding under any program administered by the Department. PBC accumulates data and keeps records in order to plan educational activities that meet the needs of students and to effectively advise and counsel them. Student records are used to promote instruction, guidance and educational progress. FERPA provides for the protection of student records.

Notification of Student Rights under FERPA
Students have the following rights under FERPA:

1) The right to inspect and review their education records and the right to seek to amend those records.

2) The right to consent to disclosure of personally identifiable information from the records (except in certain circumstances), and the right to file a complaint with the Office.
regarding an alleged failure by a PBC to comply with FERPA.

3) A student who believes the contents of their education records are inaccurate or misleading, or a violation of privacy or other rights has the right to a hearing to challenge the contents. PBC will normally comply with requests to inspect records within 14 working days but in no case more than 45 days from the date of request. For information regarding review of official records or to challenge the content of those records, students may contact the administration.

Definition of “School Official” and “Legitimate Education Interest”
School Official - Any school official who needs information about a student in the course of performing instructional, supervisory, advisory, or administrative duties for PBC has a legitimate educational interest.

Legitimate Educational Interest - It means the demonstrated need to know by those officials of an institution who act in the student’s educational interest, including faculty, administration, student employees, clerical and professional employees, and other persons who manage student records information.

Definition of Directory Information
Under FERPA, PBC can non-consensually disclose personally identifiable information from a student’s education records when such information has been appropriately designated as “directory information”. "Directory information” is defined as information contained in the education records of a student that would not generally be considered harmful or an invasion of privacy if disclosed. PBC considers the following to be "directory information":

1. Name, address, and telephone number
2. Declared Major
3. Dates of enrollment
4. Degrees and awards received
5. Participation in official recognized college activities and sports
6. Academic credit information
7. Email address
8. Photograph
9. Student ID (institutional user ID)

This information may be released without the student’s written consent unless the student requests a directory exemption through the registrar.

STUDENT SERVICES - ACADEMICS
Advising & Counseling
Faculty Office Hours
Faculty members are available one office hour per week for students outside of the classroom. Contact your faculty member for an appointment.

Advising and Tutoring
The Dean of Student Affairs is available to advise you with your progression towards degree completion. Contact Student Services to schedule an academic advising appointment.

If you feel you need academic assistance or tutoring outside of the classroom, contact the Student Services for a consultation about options for assistance.

STUDENT SERVICES – TECHNOLOGY POLICY
Computers
PBC currently has one computer available for Student use, free WiFi, an online listing of library research materials, and two printers - one located in the reception area on campus and the other in the library. USB removable media may be used with the campus computer. It is each student’s responsibility to ensure the safety and security of personal data.

Students are expected to have an up-to-date version of anti-virus software installed on their computer. PBC is not responsible for any virus, any hardware or software problems, or offensive downloaded material. Student’s personal computers should also be kept up to date with all the latest operating system and application security patches. Thumb drives should be scanned for viruses before attaching to the PBC student computer.

Student-accessible campus technology exists primarily for academic use and as a provision for those students who lack requisite technology at home for the completion of coursework. The installation of any new software, programs, or insecure data is not allowed, nor is downloading of any non-text digital media (movies, music, etc.). All users are to note that our handbook policy on student conduct applies to how one appropriates any PBC-owned device or any personal device connected to the PBC network. Those students discovered to be in violation of acceptable standards of conduct or engaged in illegal activities will be disciplined accordingly.

1. Food may not be opened or consumed near the student computer. Drinks are allowed ONLY if they have a closed top (screw on cap, lid, etc.) but must not be consumed near the computer.
2. Copying and printing costs 5 cents per page. When printing or making copies, the Student Services office will be consulted to complete the transaction.
3. Limited and reasonable non-academic personal use is allowed on PBC devices (email, some social networking, etc.). However, users will defer to students whose need is more immediate.
4. PBC cautions against accessing private information such as bank accounts or sensitive
email correspondence on PBC devices. If a user is going to leave the computer temporarily unattended, CTRL+ALT+DELETE must be used to lock down the device.

5. During high traffic hours, Student Services reserves the right to limit student use of devices as deemed appropriate. Students may reserve the computer at any time by contacting Student Services. Reservations are limited to one hour and may not be scheduled consecutively.

Printers
Students are allowed access to two printers - one in the library and the other in the reception area. The library’s printer has a USB card available for students to hook up to their laptops. The students’ computers should auto-detect and load the drivers for the printer if the laptop is online. The printer in the reception area is connected to the student computer. Each copy costs 5 cents. Two-sided pages are 10 cents.

Wireless Internet
Wireless internet access is available throughout the building. Please be advised that setting up a personal wireless access point is not allowed. Students that violate this policy by installing their own wireless access point will have their internet access terminated.

All internet activity is traceable. E-mail and internet use should be in keeping with good practices and the general mission of PBC. PBC cannot guarantee that messages or files are private or secure. The school may monitor and record usage to enforce its policies, and may use information gained in this manner for disciplinary and/or criminal proceedings in accordance with PBC’s disciplinary standards and procedures, as explained in the Disciplinary Process section of the Student Handbook (starting on page 30).

Populi
All students are assigned a Populi username once they are admitted. Students will create their own password and must not share it with anyone. Students are responsible for keeping their contact information up-to-date. Student login is available at www.pacificbible.com. In their Populi account, students will be able to enter class discussions, register for courses, review their transcript and degree audit, download class syllabi and other files the teacher has loaded, turn in assignments, view grades, make online payments, and access their Library account.

E-mail
Once admitted, the college uses students’ primary e-mail address for all campus communications, class related faculty/student correspondence, and other information distribution. Students are responsible for checking their e-mail on a regular basis.

STUDENT SERVICES – FACILITIES

Library
The Pacific Bible College Library offers more than 3,000 books and a number of electronic subject databases as learning resources to help you in your studies. Access to the library catalog (for books) and electronic magazine articles is available on the “Academics” page of PBC’s website as well as through Populi. On the website, click on “Pacific Bible College Library” to see links to the Library Catalog, Gale Research Database, and the “Library Guides” page. The library guides will help you navigate and better understand the library; it is suggested that you start with the guide called “Library 101.” To access the Library catalog when in Populi, look at the top left corner when you are logged into your Populi account and click on "Library". This will allow you to search for books, check the status of books you have out or on hold, write reviews, as well as access links to help with research and writing.

Books may be checked out at the circulation table. To check out a book, print the date, your name, and the barcode number of the book on the check-out sheet. Hint: the barcode number of the book is an 8-digit number, beginning with 3000, usually on the first page inside the front cover. Occasionally, it will be on the back cover of the book. When checking a book out, you need to print only the last four digits (omit the 3000). The librarian will input the checkouts into Populi and students will be able to access their accounts to renew or see their due dates via their Populi account.

Books not checked out will be considered stolen. Here are some circulation rules:

1. Reference books (REF) may not be checked out (a copy machine is available in the library for your use).
2. Regular library books may be checked out for 28 days. Reserved books will have a limit of 2 days to 1 week depending on the current demand and need for the first three weeks. After this, they will be available for check out for the normal 28 days.
3. Holds can be made through the Library portal in Populi. Just click on the hold button under a book and you will receive an email when it has been pulled and set aside for you. You can pick up your book on the first shelf of the book shelf by the Reference section. Holds will be kept for you for 1 week before they are canceled.
4. Renewals can be made by the student through their Library account or by contacting the PBC Librarian.
5. There are no fines for late books (but by returning books promptly, you will demonstrate responsible use).
6. Books that are not returned within a year of due date, lost, or damaged will incur a fee.
equal to the value of the book and the charge will be added to the student’s account.

When finished with a book, just place it in the “Return” basket by the circulation desk; library staff will re-shelve it. To avoid mis-shelving, you may also place reference or other books that you have consulted on the second shelf of the book case by the Reference section.

Please see the “Library Guides” for additional help or contact the PBC Librarian.

Lost and Found
The lost and found is located at the Campus Office. Found items should be turned into the Campus Office during business hours: Monday through Friday from 9:00 am to 5:00 pm. Items are kept for 30 days from the date received. Unclaimed items are either discarded or donated to charity. PBC is not responsible for the condition of any items received in lost and found and reserves the right to dispose of leftover food or offensive items before the 30-day period is complete.

Bulletin Board
PBC has one large bulletin board in the main hallway. This space is exclusively for PBC to publicize its own current news, events, and services. In addition, there is bulletin board space available in the main classroom for students and faculty to promote approved articles, ministries, and non-PBC-related extracurricular events. Flyers or other postings on the board that have not been approved by Student Services will be removed immediately regardless of content. Priority will be given to PBC-related information, higher education opportunities and community events related thereto, as well as select non-academic classifieds and advertisements.

STUDENT SERVICES - VOCATION AND MINISTRY

Employment & Career Opportunities
It is a part of PBC’s mission to assist students in obtaining gainful employment whereby the student is able actively and practically to apply the lessons of their coursework and earned degrees. Student Services will advertise known job openings, both secular and church-affiliated, which are pertinent to ABS and AASCC graduates through Populi and on the school’s bulletin board. Students desiring practical experience and counseling on a given career path are encouraged to inform PBC through Student Services so as to be referred to appropriate avenues of employment and professional enrichment.

Vocations and Ministry
In PBC’s effort to serve the local body of believers, we specialize in training and preparing students for active ministry roles, both at the professional and volunteer levels. Many PBC faculty are, or have been, pastors in the surrounding community. Students seeking formation for pastoral ministry are encouraged to cultivate an intentional relationship with their own pastor or with those of their instructors at PBC who possess the relevant experience. Student Services is able to help students in their search for a pastor-mentor, as well as aid students in discerning their vocation to ministry, pastoral or otherwise.

Ordination
PBC does not ordain for the ministry but provides the academic foundation for the process needed for study and entrance toward ordination.

STUDENT SERVICES - FINANCIAL SERVICES

Student Accounts
Students are encouraged to review their accounts in their Populi record, but may inquire about their finances with the bookkeeper, who is available to meet with students at the PBC office on Tuesday mornings. Students may call the office to confirm the bookkeeper’s schedule.

The office will help students with:

1. Payments: Cash, checks, Visa, MasterCard, and Discover are accepted for all payments.
2. Refunds: All refunds for tuition will be issued within two to six weeks depending on the nature of the reimbursement.

Students have 24/7 access to their account standing via our online college management system Populi.

Payment Schedule
Students will typically be billed during the second week of the semester. All accounts are due in full at the time of billing. You may request a payment schedule from Student Services. Note: a payment schedule will include that all debt is to be paid in full before the semester ends. If your debt is delinquent, a financial lock will be placed on your student account in Populi. This will prevent you from registering for further classes, viewing grades, or exporting transcripts until your debt is paid in full.

STUDENT SERVICES – FINANCIAL AID

Scholarships
PBC has generous donors who give to our general scholarship fund. There are minimum qualifications required. To apply, contact Student Services.

Financial Aid
The Associate of Applied Science in Christian Counseling, Associate of Biblical Studies, and Certificate in Christian Ministries offered by PBC are approved by the Oregon State Approving Agency for the education and training of veterans and are eligible for use of G.I. Bill benefits.
PBC programs are not currently eligible for federal financial aid.

STUDENT SERVICES - CAMPUS LIFE

Student Leadership Council
Extracurricular involvement at PBC is highly encouraged among students. Those who wish to take active part in governing student life, as well as representing students to faculty, staff, and administration, are encouraged to become a member of the Student Leadership Council. Students who commit to a permanent Council position are expected to maintain good academic and financial standing with PBC. Council meetings are open to all students and faculty regardless of standing.

Special Events
On occasion, PBC will host special extracurricular events. These may be academic or non-academic in nature. Student Leadership Council will be the typical facilitator in events planned and executed by the Council itself. Otherwise, students are encouraged to assist in hosting and representing PBC whenever possible. Students are especially encouraged to attend extracurricular lectures and academic conferences when the opportunity arises.

For student-led activities, an Event Submission Form must be turned in to Student Services within at least 30 days of the planned event. Depending on the nature of the event, a liability waiver may be required. Contact the Dean of Student Affairs to inquire about planning an event or starting a student club or organization.

Personal / Pastoral Counseling
PBC acknowledges and appreciates that students must always carefully manage a balance between academic growth, mental health and spiritual formation. Those students who feel they require personal or pastoral counseling from appropriate resources may inform their Dean of Student Affairs and will be referred accordingly.

Health Insurance
PBC does not cover, nor offer, health insurance. All students need to provide their own health insurance. PBC assumes no financial responsibility for student injuries (either on or off campus), illnesses, hospitalization, or dental care.

Non-discrimination Policy
It is the policy of Pacific Bible College not to discriminate on the basis of race, color, national origin, sex, age or disability in admissions and access to, or treatment or employment in, its programs or activities.

Students with Disabilities
In keeping with the Americans with Disabilities Act, PBC shall provide reasonable academic adjustments or accommodations necessary to afford equal opportunity and full participation in all programs for qualified students with professionally verified disabilities. To schedule a consultation, contact the Student Services.

STUDENT PERFORMANCE AND EXPECTATIONS

Class Attendance
PBC believes that regular class attendance is essential to a student's education. Any student who is absent the first day of school without notifying the instructor or office staff will be administratively dropped from that class. Individual professors will determine specific attendance requirements and acceptable excuses for their classes. The syllabus for each class will state these requirements. For any absence, it is the student's responsibility to contact his/her instructors for class excuses and to make arrangements for any work that was missed.

- Students are responsible for class content when absent, whether excused or not.
- The instructor may not deny credit for the course based solely on attendance unless the student has missed more than 25% of the class.

Writing Standard
Students are expected to submit papers using the college's MLA standard for research papers unless otherwise noted in the class' syllabus.

Final Examinations
Dates for final examinations are announced in the class syllabus and unless otherwise noted, will be held during the last regular class period of the semester.

Under rare circumstances, the professor may excuse a student to leave school early. This gives permission to the student to take examinations early. This is done only in very unusual circumstances (as defined by the professor), and the student must receive permission from each professor affected by the change. If the student is absent because of excused illness (as defined by the professor) arrangements with his/her professor must be made to make up the examination during finals week.

At the scheduled final exam period for each class, all semester assignments are due unless otherwise noted by the professor. No work may be submitted after final examinations unless a student qualifies for an incomplete grade. If there is no final exam and the class does not meet during the final exam period, all assignments are due at the last class.

Grade Performance & Academic Probation
Grading at PBC provides for evaluation of student performance by letter grades and points.
A formally admitted student at PBC must maintain a cumulative GPA of 2.0 or greater. A student with a cumulative GPA less than 2.0 will be placed on academic probation for the subsequent 12 semester credit hours. During this probationary period the student’s GPA should be 2.0 or greater in order to lift probation and continue taking classes. The probation will be lifted when the cumulative GPA is 2.0 or greater. Non-attainment of the 2.0 GPA while in the process of taking the 12 semester credit hours will result in academic suspension.

A student who has been academically suspended may contact Student Services in order to petition for re-admission no sooner than one calendar year from the date on which the suspension was imposed. Re-admitted students are admitted provisionally and must meet the terms of provisional admission in order to retrieve full admission. A student who has been re-admitted after a period of academic suspension and does not meet the required Grade Performance expectation will be subject to permanent academic dismissal.

Grading
Good academic standing requires a grade point average of 2.0 on all PBC course work. Standards of probation are designed to help students examine their objectives and progress in school. In cases of poor scholarship, students are encouraged to consult with professors, deans, or Student Services.

Grades for written work are typically based on completeness and accuracy of assigned work, scholarship, grammar, spelling, appearance, adherence to specification, and promptness.

The class grading percentage break down is:
A = 91-100%
B = 81-90%
C = 71-80%
D = 61-70%
F = 0-60%

Incomplete Coursework
A professor may record a course grade of Incomplete if a student fails to complete required coursework because of extenuating circumstances such as an extended illness, accident, or family emergency. To qualify for an Incomplete, students must have successfully completed at least 50% of course requirements. To request an Incomplete, a student must petition their instructor(s), who will then file an Incomplete Grade Contract with Student Services. The request for an Incomplete must be made at least seven days before the end of the semester. The terms of any Incomplete Grade Contract may allow no more than one year from the date of the contract for the student to complete required coursework. Faculty reserve the right to deny any request for an Incomplete prior to the filing of the contract.

A grade of I (Incomplete) is no indication of the caliber of work completed. If the work assigned is not completed within the allotted grace period, the Incomplete will be changed to the grade earned based on completed assignments with a zero for uncompleted assignments.

Late Class Assignments
The professor is responsible for establishing his/her class policy for late assignments up until the time of the final exam in his/her class and will list the policy on the course syllabus.

Repeating a Course
Repeating a course to improve the cumulative GPA is permitted at PBC. The higher grade will be recorded and the lower grade will be canceled. The student taking this option is reminded that the repeating of a course requires registration and payment of tuition.

Grade Reports and Unpaid Debt
Any unpaid debt to the college should be paid in full before the end of the semester. Official transcripts will not be issued as long as fines or charges are owed. Students will also have their Populi record locked so they cannot register for any other class until the debt is paid in full. Interest will not be charged on tuition and other similar overdue accounts.

Grade Appeal Procedures
A student who feels that his or her grade is below what was expected should discuss this with the instructor. This also applies to points given for participation in class, attendance, and grades on papers, projects, and tests.

If the student feels that he or she has been rewarded unjustly, he or she should make an appointment with the Chief Academic Officer (CAO). The CAO shall attempt to resolve the issue in an informed manner by contact with the instructor and the student. If the student still feels that he or she was unjustly graded, that student has further recourse to the Academic Dean.

The student has a final appeal by the Formal Hearing process outlined in the disciplinary policy.

Academic Standing and Financial Aid
A student’s progress must be satisfactory to maintain eligibility for federal or institutional financial aid.

SAFETY
Public Safety (Campus Security)
In emergencies, students should first call 911 and then notify the college staff. In many situations, PBC personnel can typically be notified and respond before the city police. Emergencies can be reported directly to Public Safety 24-hours a day by anyone. The Safety Policy and Clery Report are made available to students online or a hardcopy per request.
**Weapons**

PBC is a gun-free zone. All firearms are to be kept at least 1,000 ft. away from the PBC campus. For reference, please see Oregon Revised Statutes (ORS) 166.360 (Definitions) and ORS 166.370.

Weapons such as firearms, decorative swords, knives with blades over four inches, nun-chucks, fiereackers, brass knuckles, throwing stars, and other potentially harmful devices are not allowed on campus. Students may be dismissed from school if they have any of these items on campus. PBC reserves the right to determine the safety factor of such items. All violations will be reported to the Dean of Student Affairs, and/or law enforcement as deemed appropriate.

PBC reserves the right to dispose of any weapon left or abandoned after this period of time. PBC is required by law to keep all firearms off of the campus. Paintball guns, air soft guns and similar devices may be mistaken as a firearm and prohibited at all times on campus.

**Open Flames**

Due to fire regulations, open flame lamps, candles, and incense burning are not allowed at any time in any campus building.

**Safety Equipment**

Fire extinguishers, sprinklers, hall pipes, fire doors, smoke detectors, fire alarms, and other safety equipment must not be tampered with in any way. Misuse or tampering with such equipment will result in a $25 to $250 fine, plus any cleaning charges.

**Smoking and Vaping**

PBC observes the Indoor Clean Air Act (ICAA), or the Smoke-free Workplace Law, in accordance with the Jackson County Health and Human Services mission to promote health and wellness in Jackson County. This means that smoking, to include vaping, must be done 10 feet away from any entrance, exit, air-vent, windows, etc.

**STUDENT DISCIPLINES/CONDUCT**

**Spiritual Life Development**

Spiritual development is of critical importance to PBC, and students are encouraged and expected to be committed to this endeavor through multiple opportunities.

1. Class requirements. Most classes will require assignments applicable to spiritual development.
2. Chapel. PBC intermittently holds chapel and students are encouraged, not required, to attend. This is reflective of our high level of student employment and no campus dormitory.
3. Special events. Occasional outside speakers will be presented on campus to promote both academic and spiritual growth of students. Also prayer meetings and community service events occur. Attendance is again encouraged but not required.
4. Personal devotions. Each student is expected to practice daily devotions and interaction with the scriptures. These devotions can be integrated with class work when appropriate. Recognizing that this cannot be rigidly monitored and enforced, we promote community and maturity by trusting the integrity of the student to fulfill this.
5. Church Attendance and Affiliation. Pacific Bible College expects every student to affiliate with a local Christian church and to participate through faithful attendance at weekly services.

**Christian Service**

The basic objective of PBC is to train men and women to exercise love in every arena of their lives, exercising Kingdom realities in a fallen world. To facilitate this, we must offer more than just classroom teaching. Practical training in real life situations teaches many aspects of the Christian life that a textbook never can. The study of truth and the integration of that truth in life must go hand in hand. Teaching without practical experience produces an incomplete education. Therefore, PBC offers many opportunities to serve at the college. For more information, contact the administration.

**Academic Honesty**

Scripture is clear in its commands concerning the need for honesty and integrity in all things. This certainly applies to the academic community. Honesty and integrity are essential for learning and accomplishing educational goals. Without them, a fair evaluation for all students is impossible.

academic dishonesty involves such things as:

- Plagiarism, which is claiming the work of others as one’s own without specific acknowledgment. Making minor changes in wording does not make the work one’s own.
- Submission of the same, or essentially the same, work in more than one course without prior consent of all professors involved.
- Submission of work completed earlier as new work.
- Submission of work as one’s own which has been significantly edited by another person.
- Allowing another student to use one’s work for an assignment or helping another student in any way to be dishonest.
- Giving or receiving unauthorized test information prior to the examination.
- Using unauthorized sources for answers during an examination.
Academic dishonesty is a serious offense. Penalties for dishonesty may include such consequences as a failing grade for the assignment or exam, lowered course grade and loss of course credit. When a faculty member becomes aware of a significant violation, he/she is encouraged to consult with Student Services to consider the appropriateness of further disciplinary action. Discovery or disclosure of dishonesty in a prior semester does not allow for an assignment or exam to be made up and will result in course grade reductions or course failure.

**STUDENT CONDUCT**

**Overview**

Because PBC is a tight-knit community built on biblical principles and comprised of growing individuals, the Student Conduct process exists to channel misconduct into redemptive and educational outcomes. A student who intentionally or unknowingly violates PBC’s code of conduct will follow the judicial process involving meeting directly with the Student Services and a third party. As this process is relational in nature, our hope is to foster growth in the individual while protecting the health of the community. The following statement was agreed upon in each student’s initial application: “As a student of Pacific Bible College, I will seek to live the Christian life in accordance with accepted practices and above all to be pleasing to the Lord Jesus Christ.”

PBC seeks to serve students who have come to a saving knowledge of Christ Jesus and are living a lifestyle reflective of that commitment. It is expected that PBC students will conduct themselves in a manner congruent with mature Christian discipleship. This means exemplary behavior in moral, ethical and interpersonal dimensions of life.

Students are expected to dress in a manner appropriate to our community and the activity the student is attending. Immodest, suggestive or socially violent clothing (clothing with violent, sexually explicit, racially bigoted or verbally abusive art or words on it), may cause the student to be excused from the class or activity at the discretion of the teacher or administrator in charge at the time.

Loss of privileges, specific disciplinary requirements, or separation from the college may be imposed on any student whose conduct on or off campus adversely affects the academic community, particularly as it shows failure to accept responsibility for the welfare of other persons. Fundamental kinds of misconduct which may lead to suspension or dismissal are as follows:

- Any form of sexual immorality (pre-marital sex, extra-marital sex, homosexual sexual conduct).
- Physical or verbal abuse, intimidation, or harassment of another person or group of persons.
- Deliberate or careless endangerment, tampering with safety alarms or equipment; violation of specific safety regulations; failure to render reasonable cooperation in any emergency; possession or use on campus of firearms, knives (excepting non-spring pocket knives), other weapons, explosives, or fireworks.
- Obscene, indecent or grossly inconsiderate behavior; exposure; exposure of others to highly offensive conditions; disregard for the privacy of self or others; instruction from any college official or faculty member to discontinue or modify any action which is judged disruptive.
- Use or possession of open containers of alcoholic beverages on campus.
- Obstruction or forcible disruption of regular college activities, including teaching, research, administration, campus services, discipline, organized events and operation and maintenance of facilities; interference with the free speech and movement of academic community members; refusal to identify oneself when requested or to obey any other lawful instruction from any college official or faculty member to discontinue or modify any action which is judged disruptive.
- Failure to comply with the lawful directions of any college official, staff member, or student employee who is acting in performance of duties of position or is explicitly assuming responsibility on behalf of the college in the absence of a particular official. (Emergency orders may supersede some written regulations. Students who receive orders which they consider unreasonable, although not illegal, must obey them at the time and may bring a formal complaint later against the issuing staff members, by writing to the office.)
- Deliberate incitement of others to commit any of the acts prohibited above; involvement as an accessory to any of the prohibited acts by providing assistance or encouragement to others engaged in them or by failure to separate oneself clearly from a group in which others are so engaged when there is sufficient time and opportunity.
- Dishonesty, including provision of false information, alteration or misuse of documents, plagiarism and other academic cheating, impersonation, misrepresentation, or fraud.
- Use, sell, or possession of illegal stimulants, intoxicants, drugs or other controlled substances.
- Theft, abuse, or unauthorized use of personal or public property, including unauthorized
entrance into college facilities, possession of stolen property, and littering.

**DISCIPLINARY POLICIES**

**Overview**
The following are the stages of degrees of the disciplinary procedures utilized by PBC.

**Complaint**
The first official phase of discipline is a written complaint against a student by a teacher or administrator of Pacific Bible College. The Chief Academic Officer (CAO) will review the infraction, submitted in writing, and decide if an informal hearing is needed.

**Informal Hearing**
If the CAO decides that the infraction warrants further steps, a personal interview with the affected student(s) will be held to ascertain the facts surrounding the complaint.

The CAO may, at that time, either dismiss the case entirely, or proceed with any of the following steps: (This entire process is designed to assist the student in overcoming and coping with the behavior at hand).

On Notice: A written plan of assistance is developed to correct the infraction within a reasonable length of time. The student or person will sign the document and treat the document as an agreement. This stage can result in the continuation of school or work. Determination will be made as to whether the person needs outside assistance to cope with the behavior.

Probation Stage: A plan of assistance is generated by the CAO plus one faculty member. This stage shall contain periodic checks by the CAO. The CAO shall determine the termination of probation.

Suspension/Dismissal Stage: Suspension and/or dismissal will result if there is no satisfactory progress as determined by the CAO or if a single, but very serious violation warrants it.

Disciplinary action may take one of these forms:

- Brief suspension—removal from school for one to five days
- Suspension—removal from school and campus for one or two terms
- Indefinite suspension—removal from school and campus until specific conditions are met
- Dismissal—permanent removal from school

**FORMAL HEARING**
If a student charged with an infraction does not think he/she has received fair treatment in the process, he or she may ask for a closed formal hearing. A closed formal hearing will be a private gathering of the accused student and an ad hoc Appeals Committee composed of the President of the College, the CAO, one faculty member and one student member (the student member must be officially enrolled in a degree program and currently taking classes). The student member will be chosen by the committee faculty member. This committee will review the relevant catalog stipulations and the accusation against the student. They will determine by simple majority vote whether to overturn the Academic Dean’s original judgment on the matter.

The decision or recommendation of this committee will be final. No further appeal is possible. In the event of a deadlock, or the inability of the committee to come to a decision, the President of the College will give a decision which may not be challenged beyond this point. Written minutes of the above meeting will be kept on record and a brief notice of the committee’s findings put in the accused student’s file.

**STUDENT GRIEVANCE PROCEDURES**

**Overview**
The Student Grievance Procedure provides a way for students to seek resolution to decisions, conditions, and practices of Pacific Bible College, its faculty and staff, which they allege are a violation of published college policies and procedures. As students pursue their educational goals, they will be treated with professionalism and respect by college employees (referred to herein as "staff"). An alleged violation may be referred to as a "grievance” hereon. Students shall not be retaliated against for filing a grievance.

Students will attempt to resolve alleged violations with the staff member who is directly involved. Should a staff member directly involved in facilitating the resolution procedure be the object of an alleged violation or formal grievance, the college president will appoint a replacement. It is intended that alleged violations be resolved at any point in the process when the parties involved can agree on a resolution. All documentation submitted or created during the resolution process shall follow established filing procedures.

**Students with a grievance shall follow the procedures and time-lines outlined below:**

1. Direct Resolution. The student discusses the grievance with the college staff member who is directly involved and attempts to find resolution within a timely manner. The student may choose to be accompanied by a support person. The student must state a proposed resolution. If no resolution is reached, then proceed to the next step in the process.

2. Resolution with immediate supervisor. If the grievance is not resolved directly with the college staff member, the student discusses the grievance and seeks a resolution with the staff member’s immediate supervisor. The student may choose to be accompanied by a support person during these discussions. The student must provide a written explanation of the grievance and a proposed resolution. Appropriate written documentation will be maintained by the immediate supervisor and established filing procedures.
will be followed. If no resolution is reached, then proceed to the next step in the process.

3. Resolution with the Dean of Student Affairs. If the issue is not resolved with the staff member’s department head, the student may seek resolution with the Dean. Appropriate written documentation will be maintained by the Dean and approved filing procedures will be followed. Within seven (7) working days of notification of the student grievance, the Dean will contact the parties involved, and attempt to clarify the issue and arrive at a solution which is mutually satisfactory to the student and employee. During the Dean’s investigation, the persons involved may include a representative or other support person with first-hand knowledge of the issue. If resolution is reached, the Dean will summarize the resolution in writing for the student grievant and college employee and follow established filing procedures.

4. Appeal Process. If resolution is not reached, the student has the right of final appeal of the issue to the Chief Academic Officer (CAO) of PBC. The final appeal process requires the student to prepare and deliver a written appeal request to the CAO within seven (7) working days after the Dean gives notice to the student of the result of the investigation. The written appeal request must include an explanation of why the issue remains unresolved and provide the proposed remedy to the grievance.

Within ten (10) working days of receiving the student appeal, the CAO will review the grievance, investigation process, and proposed resolutions. The review may include, but not be limited to, an interview of the student grievant, college staff member and/or other involved parties. The CAO will report their findings and conclusions to the student grievant, college staff member(s) involved, and the Dean with a written and signed document. Established filing procedures will be followed.

PROHIBITION OF SEXUAL VIOLENCE
Pacific Bible College prohibits, condemns, and deplores all instances of sexual violence as an affront to the dignity of the victim, being a human person created in the image of God, and as a disordered and self-destructive impulse in the offender. Whereas we will seek to approach all parties involved in such instances with compassion and understanding, we will maintain zero-tolerance for sexual assault, sexual harassment, relationship abuse, and stalking both on campus and among our students off campus. Anyone found participating in any of these activities will be subject to disciplinary action and/or prosecution in accordance with PBC policy and Oregon State laws.

ACADEMIC FREEDOM STATEMENT
Pacific Bible College affirms the importance of academic freedom as foundational to an effective educational environment. Academic freedom is a right to be exercised within the boundaries of responsibility to remain faithful to the mission and Statement of Faith of PBC. With the acknowledgement of PBC’s distinctive role as a Christian institution of higher education, the faculty and students can exercise academic freedom within the following framework of freedom and responsibility:

Faculty
1. Faculty are entitled to freedom in the classroom in presenting ideas and facts (including those that are unpopular or controversial) as well as discussing their subject in the manner of their choosing. Faculty are also entitled to freedom in research and in the publication of results. Within these freedoms, it is the faculty member’s responsibility to uphold the mission and Statement of Faith of PBC. In addition, free speech and expression does not include obscene or discriminatory speech or expression, illegal activity, activity that endangers or threatens the safety of any member of the community, or any activity that impedes the functions of the college. Faculty are free from institutional censorship or discipline if they clearly convey that their opinions are their own and not those of the PBC.

2. Faculty are citizens, members of a learned profession, and members of our institution. When they speak or write as citizens, they should be free from institutional censorship or discipline, but their special position in the community imposes special obligations. As scholars and faculty members of PBC, they should remember that the public may judge their profession and their institution by their utterances. Hence they should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that they are not speaking for the institution.

Students
Students are free to examine and discuss all relevant points of inquiry and to present data fairly and objectively. Students may clearly state their own personal convictions but will evaluate all information in the light of the PBC’s Statement of Faith. Students are responsible for exercising discretion and good judgment in classroom presentations, discussions and written assignments. Students are entitled to freedom of speech and expression. They are also entitled to freedom in research and in the publication of results. It is, however, the student’s responsibility to uphold the Statement of Faith in all matters while at PBC. In addition, free speech and expression does not include obscene or discriminatory speech or expression, illegal activity, activity that endangers or threatens the safety of any member of the community, or any activity that impedes the functions of the college. Students are free from institutional censorship or discipline if they clearly convey that their opinions are their own and not those of PBC.
In any circumstance, Academic freedom does not permit faculty or students to ignore college regulations, inappropriately promote an individual's agenda in the classroom or treat others with disrespect or is disruptive to the learning environment. Finally, the responsibilities outlined in this Academic Freedom Statement do not eliminate the room for a student’s normal wrestling with understanding, biblical knowledge, spiritual growth, doubts, or ponderings within their academic pursuits. To pretend that faith in Christ does not entail some places of wrestling for truth would be to deny the testimony of many in the scriptures. Therefore, it is through the lens of grace that this policy is to provide the best framework of responsibility to accomplish the highest attainment of Christian academic intellectual pursuit at PBC.

SEX, SEXUALITY and GENDER IDENTITY

Pacific Bible College is a Christ-centered community that is missionally driven to honor the person, work and teachings of Jesus Christ. These include exercising love to all, understanding all humans carry the image of God, and a biblical worldview identifying an innate morality that governs creation derived from its Creator.

This policy applies our aforementioned identity to address the issues of sex, sexuality, and gender identity. We will make institutional decisions in light of this policy regarding student admission and retention, employment hiring and retention, and other matters.

We believe God created humans in His image, male and female. He created them, and that the designed relationship for sex is between a consenting husband (male) and wife (female). This physical union between male and female in the marital covenant brings glory to Jesus Christ and expresses love and obedience to Him.

Lifelong monogamous relationships united in covenantal marriage form the building block and foundation of our society and culture by God's design; sexual activity outside this context disobeys and dishonors God and produces destructive forces in our society and culture. Hence, any sexual activity outside this framework is inconsistent with God’s design and we hold all students, faculty, staff, trustees, and volunteers of Pacific Bible College to abstain from them. All who pursue an abiding relationship with Christ will conform to this by living a chaste life in an unmarried state, in obedience to Jesus’ teachings.

This crosses all sexual orientation boundaries, same sex relationships, and gender identity issues. In terms of gender identity, we do not affirm the resolution of tension between one’s biological sex and one’s experience of gender by the adoption of a psychological identity discordant with one’s birth sex. Similarly, we do not affirm attempts to change one’s given biological birth sex via medical intervention in favor of the identity of the opposite sex or of an indeterminate identity.

For those in our community that struggle in these areas, we respond in a manner consistent with how Jesus has responded to our sinful lives: with unconditional love and grace sourced in repentance and forgiveness. Responses contrary to this, especially those destructive and bigoted, will not be tolerated. Rather our prayer is a communal response of love, trust, openness, blamelessness and a striving for unity among the community of the College.
ACADEMIC PROGRAMS

Pacific Bible College is a Christ-centered learning community committed to equipping students to become biblically competent, academically proficient, spiritually cultivated, and culturally engaged servant leaders.

In support of this, we have designed our academic programs by incorporating a comprehensive curriculum to prepare students for the pastorate, lay ministry, career, or to begin their academic career with sound biblical education. In addition, we encourage non-program students to take classes for credit to receive the full benefit of each course or at least audit classes for personal enrichment.

Associate of Liberal Arts

The Associate of Liberal Arts is an interdisciplinary program of study that provides a broad exploration of the ideas, values, issues, and heritage of civilization. Students develop a broad understanding of the liberal arts and sciences, their interrelationships, and their integration with the Christian worldview. This core program offers instruction in Bible, theology, philosophy, fine arts, literature, communication, language, math, science, social sciences, and writing.

A Christian liberal arts education is established on the premise that faith and learning are inseparable with respect to the social, intellectual and cultural fabric of life. It recognizes that knowledge, wisdom and understanding begins with a faith in and reverence for Jesus Christ, acknowledging that He is the ultimate revelation of God’s purpose for mankind. All things were created through Him and for Him, therefore the seat of academic learning is fully accomplished through the lens of a Christian faith.

**Prerequisites: BI211**

**CE 100 – Academic Worship: Loving God with all Your Mind**
1 Credit
As Christians, we are called to supplement our faith with virtue and knowledge (2 Peter 1:3-10). We are also called to love God with not only our heart and soul, but our mind (Matt. 22:37; Mark 12:30; Luke 10:27). A student’s education is one of many ways they will serve and worship God. In order to do this well, students have to know how to learn and whether their current habits and mindsets help or hinder them. In this course the student will be invited to become more aware of their ideas about learning and will be handed a basic toolbox of skills that they will be able to use to become more efficient and responsible learners. These skills include study skills, self-care techniques, engaged reading, basic research, respectful and confident speaking, time and stress management, and ultimately, understanding of the importance of education to spiritual development and Christian character.

**CE 205 Introduction to Biblical Archeology**
3 credits
This study will focus on the relationship between the Bible and Archaeology. Utilizing the complete array of sources available to the modern archaeologist, we will examine the main narratives of the Biblical story, book by book and period by period, to see how archaeology documents, illuminates, reconstructs, and testifies about the Bible as history and tradition. Emphasis will be placed upon learning the context of Scripture in order to foster stronger Biblical interpretation as an aid to its application for ministry, scholarship and personal spiritual growth.

**CO 110 Rhetoric and Logic**
3 credits
Logic is the art of thinking rightly and Rhetoric is the art of persuasive communication. This course provides an introduction to logic, critical thinking and persuasive communication. They will apply the foundational tools of logic to practice and develop their rhetorical skills in communicating the Christian worldview.

**CO 111 Fundamentals of Speech**

Communication is a God-given gift that benefits from training and practice in all areas of life. The 5th century collapse of the Roman Empire in the West ushered in an era long misidentified as the “Dark Ages”. Contrary to popular understanding, the millennium we know today as the Middle Ages was a formative period of growth, not only for the Church, but also for the Christian culture which became largely synonymous with Western Civilization. This course will examine the development of that culture as it was shaped by new dynamics in theology, philosophy and Christian praxis, just as it was by the pressures of encroaching peoples, cultures and ideologies. Spiritual, cultural, academic and even technological changes, originating in the Middle Ages, still exert a profound influence on contemporary life. Our examination of these elements offers a deeper understanding of the Christian Faith in the modern world, as well as the God who created them both.

HS 104 Renaissance and Reformation
3 Credits
History is part of God’s general revelation to mankind and as such has value to the believer in learning wisdom and living charitably among the wider Body of Christ. The period we know today as the “Renaissance and Reformation” conjures in most modern minds a vague image of paintings and church squabbles. In truth, this period (1400 – 1650) represents the most profound spiritual-cultural crossroads since Calvary. The seismic shifts which took place in technology, art, war, commerce, faith and philosophy ushered not just Western Civilization, but all of global humanity into the modern world. As Dante, DaVinci and Michelangelo helped shape the changing face of Europe, so did Wycliffe, Luther and Calvin mold and direct the growth of its spirit. From the Black Death to the Enlightenment, God’s hand is evident in the lasting imprint left by this era upon our own.
